

# JANGRO Product Guide

## Floor Polish and Cleaner BD100-5

Polish

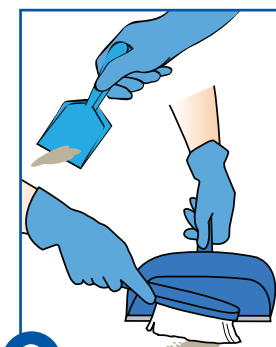

1

Put on PPE.

2

Place safety signs.

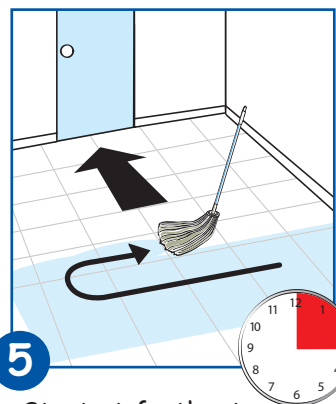

3

Prepare floor.

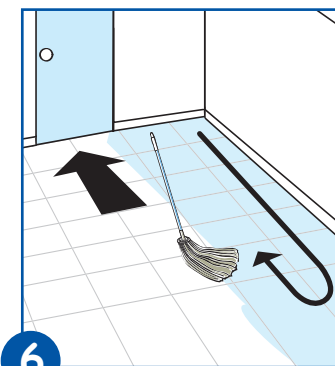

4

Pour solution (undiluted) into bucket.

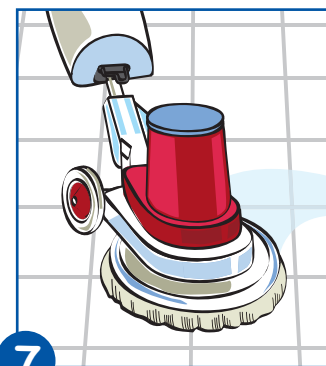

5

Start at furthest corner away from door. Apply a thin coat with mop. Allow to air dry.

6

Apply a second coat, mopping in opposite direction.

7

To polish, burnish with machine.

8

Remove safety signs.
