

NX300 Pro Cordless Range

Professional Cordless Cleaning Technology

Power Driving Productivity

36V Lithium Power, Fast Charge, One Fits All

Numatic

The Next Generation of Battery Technology

NX300 Pro Cordless delivers professional level cordless performance to a versatile and expanding range. Quicker, safer and more convenient, switching to Pro Cordless raises productivity levels, saving time and money.

Smart Safe Charge System

Built-in battery status and health check safety system. The SoH (State of Health) system monitors multiple parameters ensuring battery safety.

Maximum Energy Deployment

Delivering power from cell to machine with minimum power loss via high-quality welded nickel power rails.

Integrated Heatsink Casing

Quickly and efficiently cools the pack in use, optimising delivery of power.

Integrated Cooling Design

Keeping cool allows maximum power delivery, the clever NX300 pack design eliminates air pockets acting as an insulation transmitting heat directly out of the pack.

Integrated Handle

Quickly and easily hot swap batteries across the NX range.

Power to Perform

Enhanced Energy Storage

Research and development in cell chemistry and a newly developed x30 cell design delivers a 60% increase in available energy. The NX300 truly delivers on power with 300Wh of energy.

One Fits All Productivity

The convenience, safety and power of Pro Cordless, with reduced costs and lower maintenance from a single battery and charger system.

Runtime

Each product in the NX range is engineered to optimise the NX energy storage, providing the right balance of runtime and power for each cleaning task.

Fast Charge

Recharged to 80% in an hour* and ready to go for every product in the NX300 range.

Cost Effective

Made for the long haul, the NX300 won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles.

*Higher ambient temperatures may increase charge time.

Power the Entire Fleet with NX Pro Cordless

More Time to Clean

Switching from corded to cordless reduces overall cleaning time every day, maximising productivity with no need to keep plugging and unplugging.

No Cable Trips

Safe and unobtrusive cleaning with no cable, making it the ideal solution to minimise the risk of slips, trips and falls.

Lower Energy Cost

High-efficiency cleaning delivers extended runtime, expanding commercial operation and applications with lower annual energy usage.

No Testing Required

No need for high-cost PAT testing on multiple corded machines when switched over to cordless.

Lower Noise

Minimising distractions and interruptions with lower noise levels compared to corded machines.

All Hours Cleaning

Combining total cordless freedom, powerful and professional cleaning results. Perfect for day cleaning and safe operation in public areas with high footfall.

Advanced Battery Vacuums

NBV190NX / NBV240NX / PBT230NX

Cordless cleaning with total freedom of operation and convenience from our NX range of compact, professional and versatile vacuums.

Perfect for day cleaning and safe operation in public areas, delivering up to 80 minutes of cordless freedom and a 40% increase in airflow and suction.

- Cordless Freedom**
Market-leading 80 minutes of consistent and powerful cleaning performance.
- Powerful Cleaning**
40% increase in airflow and suction with new, high-performance 350W digital brushless motor.
- Safer Cleaning**
With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.
- Clean for Longer**
Less stopping to empty with high-efficiency, big-capacity HepaFlo vacuum bags.
- A Tool For Every Job**
Professional and versatile accessory kit with on-board tool storage for quick and easy access to everything you need on the move.
- Ease of Transit (PBT230NX)**
Large rear wheels, telescopic pull handle and lift-off storage caddy.

Power Boost Mode

Telescopic Handle (PBT230NX only)

Easy Battery Change

RucSac Battery Vacuum

RSB150NX / RSB150NX HEPA

Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the RSB150NX is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom, a 40% increase in airflow and suction with maximum user comfort, the RSB150NX provides optimum cleaning productivity with powerful and professional cleaning results.

• Cordless Freedom

Market-leading 80 minutes of consistent and powerful cleaning performance.

• Powerful Cleaning

40% increase in airflow and suction with new, high-performance 350W digital brushless motor.

• NX300 Network

Bringing the convenience and performance of professional cordless cleaning across our growing battery range.

• Safer Cleaning

With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.

• Ultimate User Comfort

Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

• Total Control

Integrated hand control and handy tool storage for quick access on the move.

• Advanced Filtration (RSB150NX HEPA)

Certified HEPA13 filtration down to 0.3 microns at 99.97% efficiency.

• Professional Harness

The Pro Harness offers enhanced operator comfort, increasing cleaning efficiency, capability and productivity, without any uncomfortable distractions.

Perfect Working Position

Reduce Strain

Cool and Comfortable

Lower-back Support

Handy Tool Storage

Simple Height Adjustment

Features

Breathable Mesh Panel

Easy Battery Change

Waistbelt Tool Storage

Integrated Hand Control

Compact Scrubber Dryer

244NX

Nu-Assist

The **FREE Nu-Assist** app offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity. See page 11-12 for details

The 244NX Compact Scrubber Dryer delivers fast, effective cordless cleaning across hard floors.

Often the only solution when cleaning in small and congested areas has been traditional mopping, typically leaving floors wet with inconsistent results. Lightweight and easy to use, the 244NX leaves floors clean, dry and safe whilst reducing labour costs by 70% and water use by 80%.*

- **Pay Back in 5 Minutes**

Switching to the 244NX for just 5 minutes a day instead of mopping makes big savings, returning the total machine cost in 3 years.*

- **One-Pass Performance**

One-pass cleaning performance is achieved by applying brush pressure and powerful drive motors with the right amount of water in the right place.

- **Smart and Sustainable Water Distribution**

The Centrifugal delivery of water using a direct feed through the brushes minimises overall water use, has no messy spray-off and increases efficiency by reducing time-consuming refills.

- **Agile and Lightweight**

Agile and lightweight handling easily navigates obstacles in congested areas gliding over floors for controlled, effortless cleaning.

- **Easy Cleaning Park-Up Mode**

"Park-Up" feature allows users to quickly park-up, to move obstacles, or carry out other cleaning tasks.

- **Support at your Fingertips, Straight from your Mobile**

Access a wide-range of multilingual help and support, including troubleshooting and maintenance videos, through the Nu-Assist App.

*Time saving of 70% vs mopping / wage £11 per hour. 100sqm 7 days per week.
Water use by 80% based on replacing 16L mopping system, cleaning 7 days per week.

Easy to Use

Adjustable Water Flow

Foot-operated Floor Tool

Easily Removable Tanks

Centrifugal Water Delivery

Optional Pads available

Compact Scrubber Dryer

TTB1840NX

High-performance digital motor, powerful NX300 36V battery technology, Centrifugal water feed and precision-engineered floor tool for clean, dry and streak-free floors in minutes.

- **Compact, Cordless and Convenient**

With the cleaning performance of a much bigger machine, ideal for cleaning tighter spaces and public areas.

- **Clean, Dry, Safe and Streak-Free Floors in Minutes**

A high-performance digital motor and precision-engineered floor tool provides instantly dry, streak-free floors.

- **Sustainable Cleaning**

Our Centrifugal Water System ensures precise distribution across the brush or pad, delivering on cleaning performance whilst saving water.

- **Stay Cleaning for Longer**

New NX300 36V Battery Technology delivers 300Wh energy storage capacity with 60 mins of consistent powerful cleaning.

- **Support at your Fingertips, Straight from your Mobile**

Access a wide-range of multilingual help and support, including troubleshooting and maintenance content, through the Nu-Assist App.

Nu-Assist

The **FREE Nu-Assist app** offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity. See page 11-12 for details

Simple Brush / Pad Change

Folding Handle for Compact Storage

Easy Battery Change

Simple Soft-touch Control

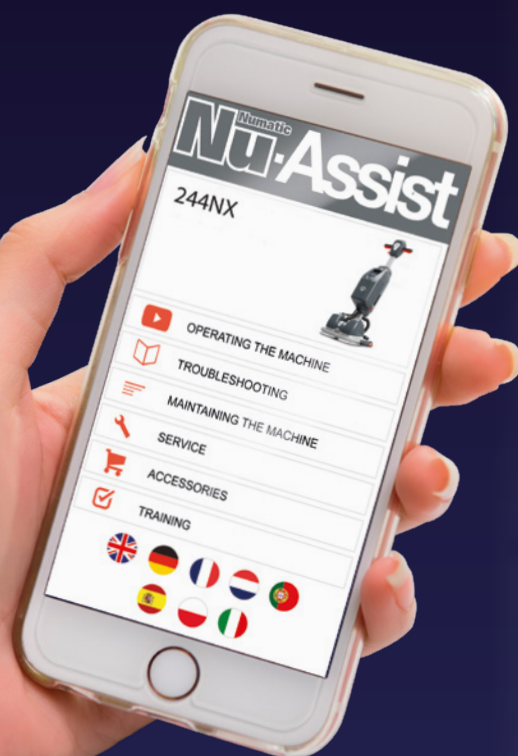

Numatic Nu-Assist

Providing training is not always straightforward and can be time-consuming, complex and costly. The Nu-Assist App offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity.

Multilingual Support

With Nu-Assist on-hand, you and your team have 24/7 access to multilingual training, troubleshooting and maintenance content from any mobile device, increasing cleaning productivity across the board.

“The Nu-Assist App offers the benefit of online training, through a simple, versatile, and user-friendly solution.”

Quick Start Videos

Troubleshooting and Maintenance Videos

Download the App

Nu-Assist delivers multilingual training, troubleshooting and maintenance content, from one convenient App.

How it works

1. Scan the QR Code on the Machine
2. Open in App or Mobile Browser
3. View Quick Start Videos
4. Carry Out Maintenance Checklist
5. Complete Operator Training
